## PROFESSIONAL SUMMARY

I am a dedicated Web Technology and Communication student with a passion for driving innovation through technology. With a solid foundation in web technologies, I am focused on acquiring hands-on experience to solve real-world challenges. My studies at ETIC Algarve have provided me with in-depth knowledge of the latest trends and best practices in the tech field. I take pride in my ability to approach problems creatively and stay ahead of emerging industry developments. I am highly motivated, detail-oriented, and possess strong technical and communication skills, all of which help me thrive in this dynamic and fast-evolving sector.
